- (b) ElectraNet and the Supplier have entered into a separate written contract covering that supply (for example by entering into contract terms provided as part of a request for tender or entering into a major works contract for design and construction).

1.2 Creation of Contract

The issue of a Purchase Order by ElectraNet and actual or implied acceptance by the Supplier (which may be given verbally, in writing, by commencing performance or otherwise) is conclusive evidence that these Conditions apply to the provision of the Goods and the Services.

Upon such acceptance of any Purchase Order, a separate contract is formed comprising the documents referred to in clause 1.3 (Contract).

1.3 Contract documents

The Contract contains the entire agreement between the parties for the supply of the Goods and Services and comprises:
